Subject: Extension of Due Date for Division Directive to Submit Additional Surety, Amnor Energy, Coyote Knolls Mine, S/023/0086, Juab County, Utah

Dear Mr. Kofford:

On September 28, 2012, representatives of the Division of Oil, Gas and Mining met with you to discuss the bonding situation for the referenced mine. By letter dated September 20, 2012, you had been directed to increase the reclamation surety to either \$73,700.00 or \$75,000.00 by October 1, 2012.

Based on this meeting, the Division agreed to extend the deadline to December 1, 2012. Please make every effort to meet this deadline. Failure to do so may result in issuance of a cessation order and associated fines.

Thank you in advance for your cooperation. Please call Wayne Western at 801-538-5263 or me at 801-538-5261 if you have questions or concerns about this letter.

Sincerely,

Paul B. Baker
Minerals Program Manager
